

**THE LIST OF SERVICES PROVIDED  
IN "Med-Palace" MEDICAL CENTER  
RANGE OF MEDICAL EXAMINATIONS**

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### UROLOGY

| No | NAME OF MEDICAL SERVICES  | Price, UAH |
|----|---|------------|
| 1. | Plain cystoscopy  | 965        |
| 2. | Finger prostate massage (1 session)   | 410        |
| 3. | Bladder instillation (with Collargol), 1 procedure                              | 330        |
| 4. | LIL therapy to improve men's health   | 950        |
| 5. | Collecting prostate secretions for further analysis                             | 335        |
| 6. | Collecting urethral discharge for further analysis                              | 335        |
| 7. | Inoculation of urine and determination of microflora sensitivity to antibiotics | 425        |
| 8. | Andrological PRP (1 <sup>st</sup> complexity level)                             | 4500       |
| 9. | Andrological PRP (2 <sup>nd</sup> complexity level)                             | 7500       |

### DUODENAL INTUBATION

| No | NAME OF MEDICAL SERVICES         | Price, UAH |
|----|----------------------------------|------------|
| 1. | Duodenal intubation (fractional) | 620        |

### CARDIOLOGY

| No | NAME OF MEDICAL SERVICES   | Price, UAH |
|----|--|------------|
| 1. | Heart echocardiography with CDI – Colour Doppler Imaging                     | 725        |
| 2. | Ultrasound examination of peripheral blood vessels of the upper extremities  | 720        |
| 3. | Ultrasound examination of peripheral blood vessels of both lower extremities | 950        |
| 4. | Triplex extracranial cerebral vessel examination                             | 850        |

Mirotel Resort & Spa 1 Kobzar square, Truskavets. Tel.: (03247) 64131

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### GYNAECOLOGY

| No  | NAME OF MEDICAL SERVICES  | Price, UAH |
|-----|---|------------|
| 1.  | Extended colposcopy   | 725        |
| 2.  | Folliculometry (one procedure)  | 425        |
| 3.  | Radiosurgery for the treatment of cervix disorders  | 2055       |
| 4.  | Method of chemical coagulation for abnormal cervix appearance (the costs of medications are not included) | 850        |
| 5.  | Laser treatment of cervix diseases and other types of female genital pathology (one session)              | 470        |
| 6.  | Vaginal medicated tampons (with the patient's medicine)   | 295        |
| 7.  | Intravaginal cervix massage   | 400        |
| 8.  | Intrauterine Contraceptive Device insertion (IUCD) (the cost of the intrauterine device is not included)  | 950        |
| 9.  | Removing the IUCD   | 850        |
| 10. | Vagina biomaterial collection for analysis  | 270        |
| 11. | Biopsy sampling   | 390        |
| 12. | Sampling for endometrial pipelle biopsy   | 605        |
| 13. | Biopsy of individual tissue fragments   | 1500       |
| 14. | Liquid cytology (PAP test)  | 465        |
| 15. | PRP for intimate area   | 5500       |
| 16. | Intimate contour plastic surgery  | 7000       |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### ESOPHAGOGASTRODUODENOSCOPY

| No  | NAME OF MEDICAL SERVICES   | Price, UAH |
|-----|--|------------|
| 1.  | Video Colonoscopy  | 3800       |
| 2.  | Video Gastroscopy  | 1800       |
| 3.  | Biopsy of the upper gastrointestinal tract (Helicobacter pylori detection) | 1815       |
| 4.  | Biopsy by Olga, Olgim  | 1518       |
| 5.  | Biopsy during an endoscopy   | 1375       |
| 6.  | Extended biopsy during an endoscopy  | 3300       |
| 7.  | Urease test (CLO test)   | 880        |
| 8.  | Polypectomy during colonoscopy (1 <sup>st</sup> complexity level)          | 8000       |
| 9.  | Polypectomy during colonoscopy (2 <sup>nd</sup> complexity level)          | 14000      |
| 10. | Anesthesia (30 min)  | 1750       |
| 11. | Anesthesia (60 min)  | 2830       |
| 12. | Anesthesia (90 min)  | 4050       |
| 13. | Anesthesia (120 min)   | 5220       |
| 14. | PH   | 850        |
| 15. | Pathological examination(1-5)  | 2250       |
| 16. | Pathological examination(6-10)   | 3450       |
| 17. | Pathological examination(11-15)  | 4850       |
| 18. | Pathological examination(21-25)  | 7785       |
| 19. | Pathological examination(26-30)  | 9060       |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### ULTRASOUND DIAGNOSTICS

| No  | NAME OF MEDICAL SERVICES   | Price, UAH |
|-----|--|------------|
| 1.  | Ultrasound diagnostics of the abdominal cavity organs <i>(liver, gallbladder, bile ducts, pancreas, spleen) with CDI (Colour Doppler Imaging - blood flow imaging)</i>   | 875        |
| 2.  | Ultrasound diagnostics of the abdominal cavity organs with CDI with gallbladder functional tests   | 875        |
| 3.  | Comprehensive ultrasound diagnostics of the abdominal cavity organs <i>(liver, gallbladder, bile ducts, pancreas, spleen), kidneys, urinary bladder, prostate gland with the determination of residual urine in men, thyroid and parathyroid glands with CDI</i> | 1710       |
| 4.  | Comprehensive ultrasound diagnostics of the abdominal cavity organs <i>(liver, gallbladder, bile ducts, pancreas, spleen), kidneys, urinary bladder, thyroid and parathyroid glands with CDI</i>   | 1710       |
| 5.  | Comprehensive ultrasound diagnostics of the abdominal cavity organs <i>(liver, gallbladder, bile ducts, pancreas, spleen), kidneys, urinary bladder, mammary glands with CDI</i>   | 1710       |
| 6.  | Ultrasound examination of the thyroid and parathyroid glands with CDI and sonoelastography (determining the density and elastic properties of the tissues)   | 750        |
| 7.  | Ultrasound examination of the mammary glands with CDI and sonoelastography (determining the density and elastic properties of the tissues)   | 685        |
| 8.  | Ultrasound examination of the female pelvic organs <i>uterus, appendages, ovaries, intravaginally</i>  | 850        |
| 9.  | Ultrasound examination of the female pelvic organs <i>uterus, appendages, ovaries, transabdominally</i>  | 775        |
| 10. | Ultrasound examination (obstetrical)   | 575        |
| 11. | Ultrasound examination of the male genitourinary system <i>kidneys, bladder, prostate gland with the determination of residual urine with CDI (Doppler Imaging - blood flow imaging) + if necessary seminal vesicles and scrotum (transabdominally)</i>          | 830        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### ULTRASOUND DIAGNOSTICS

| No  | NAME OF MEDICAL SERVICES  | Price, UAH |
|-----|---|------------|
| 12. | Ultrasound examination of the prostate gland, seminal vesicles, prostatic urethra with CDI ( <i>transrectally</i> ) | 830        |
| 13. | Ultrasound examination of the female genitourinary system (the kidneys and bladder) with CDI                        | 830        |
| 14. | Urological ultrasound examination with CDI – Duplex scanning of the renal blood vessels                             | 830        |
| 15. | Ultrasound examination of the soft tissues (lipoma, hygroma)  | 390        |

### PROCTOLOGY

| No | NAME OF MEDICAL SERVICES  | Price, UAH |
|----|---|------------|
| 1. | Cleansing enema   | 210        |
| 2. | Cleansing enema (twice)<br>(Preparation for consultation with a proctologist)                                   | 325        |
| 3. | Radiosurgical treatment of the 1 <sup>st</sup> degree haemorrhoids<br>( <i>one node up to 0.5 cm in size</i> ). | 835        |
| 4. | Radiosurgical treatment of the 2 <sup>nd</sup> degree haemorrhoids<br>( <i>one node up to 1 cm in size</i> ).   | 1250       |
| 5. | Radiosurgical treatment of the 3 <sup>rd</sup> degree haemorrhoids<br>( <i>one node up to 2 cm in size</i> ).   | 1995       |
| 6. | Radiosurgical treatment of haemorrhoids of the high level of complexity (one node larger than 2 cm in size).    | 2685       |
| 7. | Biopsy of individual tissue fragments   | 650        |

### REFLEXOLOGY

| No | NAME OF MEDICAL SERVICES                                    | Price, UAH |
|----|---|------------|
| 1. | Segmental pharmacopuncture( without the cost of medication) | 435        |
| 2. | Segmental pharmacopuncture( with the cost of medication)    | 755        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### RADIOLOGY

| No  | NAME OF MEDICAL SERVICES  | Price, UAH |
|-----|---|------------|
| 1.  | Dental X-ray, 1 radiograph (analogue mode)  | 300        |
| 2.  | Skull X-ray in 2 projections  | 555        |
| 3.  | Radiography of the paranasal sinuses, 1 radiograph (digital mode)                     | 555        |
| 4.  | Radiography of the temporal bone (digital mode)                                       | 535        |
| 5.  | Radiography of the temporomandibular joint, 1 radiograph                              | 535        |
| 6.  | Radiography of nasal bones in 2 projections (digital mode)                            | 535        |
| 7.  | Radiography of the cervical spine in 2 projections                                    | 600        |
| 8.  | Radiography of the cervical spine in 2 projections<br><i>with functional tests</i>    | 655        |
| 9.  | Radiography of the thoracic spine in 2 projections                                    | 600        |
| 10. | Radiography of the lumbosacral spine in 2 projections                                 | 600        |
| 11. | Radiography of the lumbosacral spine in 2 projections<br><i>with functional tests</i> | 675        |
| 12. | Radiography of TH-L region of the spine (analogue mode)                               | 555        |
| 13. | Radiography of the coccyx   | 675        |
| 14. | Radiography of the shoulder joint, 1 projection                                       | 535        |
| 15. | Radiography of the clavicle and scapula, 1 projection                                 | 535        |
| 16. | Radiography of the humerus in 2 projections   | 535        |
| 17. | Radiography of the elbow joint in 2 projections                                       | 535        |
| 18. | Radiography of the forearm bones in 2 projections                                     | 535        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### RADIOLOGY

| No  | NAME OF MEDICAL SERVICES  | Price, UAH |
|-----|---|------------|
| 19. | Radiography of the lower leg bones in 2 projections                                   | 475        |
| 20. | Radiography of the hip joints and pelvic bones  | 600        |
| 21. | Radiography of the sella turcica (Turkish saddle)                                     | 535        |
| 22. | Radiography of the knee joint in 2 projections  | 525        |
| 23. | Radiography of the ankle joint in 2 projections                                       | 475        |
| 24. | Radiography of both heel bones  | 465        |
| 25. | Foot exercise radiography (analogue mode)   | 465        |
| 26. | Radiography of the foot in 2 projections  | 555        |
| 27. | Radiography of the ribs (1 enlargement radiograph)                                    | 525        |
| 28. | Radiography of the chest organs (children)  | 600        |
| 29. | Radiography of the chest organs + enlargement radiograph                              | 600        |
| 30. | Radiography of the chest organs (children) + enlargement radiograph                   | 655        |
| 31. | Radiography of the chest organs in the lateral projection (analogue mode)             | 535        |
| 32. | Roentgenoscopy and radiography of the gastrointestinal tract                          | 785        |
| 33. | Plain urogram (kidneys radiography)   | 600        |
| 34. | Plain + excretory urography (the cost of the contrast material is not included)       | 785        |
| 35. | Excretory urography (delayed image)   | 350        |
| 36. | Retrograde cystography  | 600        |
| 37. | Radiography of the organs of the abdominal cavity (gall bladder, revealing of stones) | 535        |
| 38. | Radiography of the radiocarpal joint in 2 projections                                 | 535        |
| 39. | Radiography of the hand bones and fingers in 2 projections                            | 535        |
| 40. | Radiography of the of the chest organs the frontal projection                         | 600        |
| 41. | Radiography of the femur in 2 projections   | 535        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### OTOLARYNGOLOGY (ENT)

| No  | NAME OF MEDICAL SERVICES  | Price, UAH |
|-----|---|------------|
| 1.  | Treatment of dermatitis in the ear canals   | 390        |
| 2.  | Pouring a mixture of vegetable oils into the larynx   | 390        |
| 3.  | Ear irrigation  | 390        |
| 4.  | Nose bleeding control   | 655        |
| 5.  | Removal of ear, nose and throat foreign bodies  | 520        |
| 6.  | Treatment of chronic otitis (1 session)   | 390        |
| 7.  | Comprehensive sanitation of tonsils   | 520        |
| 8.  | Partial sanitation of tonsils (with a silver solution)  | 390        |
| 9.  | Partial sanitation of tonsils (with a mixture of vegetable oils)  | 390        |
| 10. | Comprehensive treatment of the pharyngeal mucosa  | 465        |
| 11. | Comprehensive treatment of the paranasal sinuses applying the displacement method                                   | 520        |
| 12. | Partial treatment of the paranasal sinuses applying the displacement method (with a silver solution)                | 390        |
| 13. | Partial treatment of the paranasal sinuses applying the displacement method   | 465        |
| 14. | Comprehensive treatment of the nasal mucosa   | 465        |
| 15. | Treatment of the larynx and vocal cords   | 390        |
| 16. | Inferior nasal concha blockade  | 440        |
| 17. | BtE blockade  | 420        |
| 18. | Eustachian tube catheterization   | 450        |
| 19. | Eardrum pneumatic massage   | 310        |
| 20. | Laryngeal medication pouring  | 295        |
| 21. | Collecting biomaterial samples from ENT organs for analysis   | 320        |
| 22. | Microbiological culture from the mucous membrane of the nose and oral pharynx tested for microflora and sensitivity | 390        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### DIETOLOGY

| No | NAME OF MEDICAL SERVICES   | Price, UAH |
|----|--|------------|
| 1. | Food intolerance identification (test + interpretation of the results) | 7500       |
| 2. | Planning an individual menu for 1 day                                  | 300        |

### OPHTHALMOLOGY

| No | NAME OF MEDICAL SERVICES  | Price, UAH |
|----|---|------------|
| 1. | Tonometry (noncontact)  | 395        |
| 2. | Tonometry (contact)   | 395        |
| 3. | Biomicroscopy of the anterior part of the eyeball:<br>anterior chamber, eye lens, vitreous body | 395        |
| 4. | Microbiological culture from the conjunctiva  | 655        |
| 5. | Demodex biomicroscopic analysis of the lashes   | 520        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### ORTHOPEDICS AND TRAUMATOLOGY

| No  | NAME OF MEDICAL SERVICES  | Price, UAH |
|-----|---|------------|
| 1.  | Treatment of foot dysfunction: Correction of the vault  | 3465       |
| 2.  | Extracorporeal shock wave therapy<br>Modern treatment of arthrosis, heel spurs, 1 session   | 655        |
| 3.  | Skeletal traction using Mili+TRAcouter: lumbar spine<br>(modern treatment of spinal disc herniation, osteochondritis , 1 session)   | 655        |
| 4.  | Skeletal traction using Mili+TRAcouter: thoracic spine<br>(modern treatment of spinal disc herniation, osteochondritis , 1 session) | 655        |
| 5.  | Skeletal traction using Mili+TRAcouter: cervical spine<br>(modern treatment of spinal disc herniation, osteochondritis , 1 session) | 655        |
| 6.  | Primary treatment of a soft tissue wound  | 465        |
| 7.  | Suturing (1 stitch)   | 535        |
| 8.  | Removal of sutures  | 330        |
| 9.  | Bandaging wounds  | 330        |
| 10. | Cast immobilization of the upper extremity  | 595        |
| 11. | Cast immobilization of the lower extremity  | 595        |
| 12. | Reduction of the shoulder, elbow joint dislocation with immobilization  | 520        |
| 13. | Carboxytherapy of the paravertebral spine   | 485        |
| 14. | Carboxytherapy of the adjacent joints   | 425        |
| 15. | Carboxytherapy in urology   | 485        |
| 16. | Carboxytherapy of the trophic ulcers  | 390        |
| 17. | Carboxytherapy in cases of alopecia (hair loss)   | 390        |
| 18. | Carboxytherapy of the lower extremity   | 300        |
| 19. | Carboxytherapy of both lower extremities  | 465        |
| 20. | Carboxytherapy of both upper extremities  | 465        |
| 21. | Carboxytherapy of the collar zone   | 545        |
| 22. | Carboxytherapy of the lumbar area   | 390        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### ORTHOPEDICS AND TRAUMATOLOGY

| No  | NAME OF MEDICAL SERVICES                  | Price, UAH |
|-----|---|------------|
| 23. | Complex carboxytherapy                    | 1350       |
| 24. | Joint plasma therapy                      | 2695       |
| 25. | Intra-articular injection                 | 940        |
| 26. | Paravertebral blockade with Diximethasone | 415        |
| 27. | Paravertebral blockade with Depose        | 415        |
| 28. | Paravertebral blockade with Aflutop       | 545        |
| 29. | Extracorporeal shock - wave therapy       | 800        |
| 30. | Manual therapy                            | 765        |

### MEDICAL THERAPEUTIC MASSAGE

| No | NAME OF MEDICAL SERVICES             | Price, UAH |
|----|--------------------------------------|------------|
| 1. | Medical therapeutic massage (30 min) | 600        |
| 2. | Medical therapeutic massage (60 min) | 700        |
| 3. | Neurosedative massage (30 min)       | 800        |
| 4. | Neurosedative massage (60 min)       | 1100       |

### OZONE THERAPY

|    | NAME OF MEDICAL SERVICES  | Price, UAH |
|----|---------------------------|------------|
| 1. | Intravenous ozone therapy | 350        |

## MEDICAL EXAMINATIONS PROVIDED IN "MED-PALACE" MEDICAL CENTER

### TREATMENT ROOM

| No  | NAME OF MEDICAL SERVICES                              | Price, UAH |
|-----|---|------------|
